Right

Problem

The card is partly out of the frame.

→ Text recognition and assignment are incorrect

1. **Photograph** your business card as whole as possible. (Turn your device by 90° if necessary)
2. Mark the upper edge of the business card with „Top“.
3. **Zoom** in on the image so the map is congruent with the frame.
4. Further information can be obtained by clicking on the question mark.

→ Text recognition and assignment are now correct
